

bodies of four men and women who had died from starvation were found in the street. One child, almost dead from hunger, was found close to the wall of El Oriente Foundry. This condition of things in the neighboring seaport town demands instant attention.

Advices from other towns in the interior and on the coast report that distress and want prevail, principally among the Cuban troops who are camped on the outskirts. Calbarien is apparently the general center, in a communication to General Wadsworth, should be the first evacuated, in order to establish a Cuban base of supplies to minister to the wants of the troops in the field.

It is reported that on September 12 a skirmish took place near Madruga. In the province of Matanzas, between Cuban and Spanish forces. The Cubans lost one officer killed and two men wounded. One of the Cubans was taken prisoner and carried to Matanzas by the Civil Guard, where he was turned over to the military authorities.

#### A PLEA FOR PRISONERS.

MARIANA'S GOVERNOR URGES CLEMENCY FOR THOSE CONVICTED OF MINOR OFFENCES.

Havana, Sept. 18.—In an able letter addressed to Antonio Goy, Colonial Minister of Justice, Marquis Cervera, Military Governor of Mariana, makes an urgent plea for clemency for all persons now serving sentences in the prisons of the island for minor offenses or held pending trial upon charges of similar infractions of the law.

The communication is inspired by a recent utterance of Señor Sagasta, the Spanish Premier, who asked the Cortes what was to become of the many prisoners serving terms in Cuba who had been sentenced by Spanish tribunals.

Marquis Cervera cites the fundamental principle of the Penal Code that criminal law is essentially territorial, and that, consequently, no State can authorize the execution within its territory of sentences pronounced by foreign courts, and contends that "Spanish tribunals will to-morrow be foreign in Cuba."

But he argues that many of the persons in whose interest he addressed Señor Govin have pending either their trials or appeals for fresh trials, and asks:

"Is it just or right, or in accordance with the spirit of the law, which provides the defence with the same rights as the prosecution, to take prisoners away from the place where the crime was committed and separate them from all possible testimony of witnesses which they may require to protect their individual rights or establish their innocence?"

This, he argues, is against the majesty of justice and right, and in opposition to the imperative mandate of the law. The Marquis suggests a rational solution based upon clemency for those condemned for minor offenses, who, he considers, have fully expiated their misdeeds by the imprisonment they have already undergone, and for whom he pleads pardon.

On the other hand, regarding habitual criminals, condemned for serious offenses, constituting a menace to society and law, he suggests that they be retried, and, if necessary, be made to serve their entire terms and undergo punishment to the full extent of the law.

The communication has received wide publicity, and has excited much favorable comment in all circles.

**LIBELLED TWO REGIMENTS.**  
CHARGES MADE AGAINST SERGEANT JOHNSON AT SANTIAGO.

Santiago de Cuba, Sept. 18.—Yesterday charges were preferred by Captain Miller, of the 24th Immune Regiment, and Captain Shelley, of the 5th Immune, against Sergeant Josh W. Johnson, of the 3d Regiment, for maliciously libelling the officers and soldiers of their respective regiments in an article published in "The Atlanta Constitution" on August 2. The article in question represented the soldiers of the 24th and 5th Regiments to be a band of cutthroats, robbers and criminals of the worst description, whose presence in Santiago menaced the life and property of every one, and closed with a laudation of the 3d Regiment by contrast with the other commands. Colonel Ray and the men of the libelled regiments, as well as all the others of the Army, were indignant at the slanders, and threats were made by a few of the men that Johnson would be lynched if he were not called to account for his statements.

There is no ground whatever for the reports of unbecoming conduct, infractions of discipline, disorderly conduct and drunkenness on the part of the men. Two unimportant cases of assault are all that can be charged against the men of the 24th and 5th. The charges were preferred by some to have been inspired by his superior officers. His promotion to a lieutenant has been recommended.

**NEGLECT OF SANITARY PRECAUTIONS.**  
REASON FOR ILL-HEALTH OF CAMP THOMAS, ACCORDING TO DR. GRIFFIN.

Chickamauga National Military Park, Sept. 18.—The following is the report from the hospitals yesterday:

Sternberg—Two deaths, Edward A. Williams, ambulance company, Company K, 2d Cavalry, 1st Arkansas, furloughed, sixty-three.  
Lester—One death, Paul J. Jenkins, Company A, 2d Cavalry, furloughed.

Major Emmet Griffin, surgeon-in-charge of Sternberg Hospital at this place, said yesterday:

In my opinion Chickamauga Park is one of the healthiest places in the country that could have been chosen for a great battle. It is believed by me to be the best place in the country for the purpose, and the conclusion that no more desirable place could be found, the lay of the land, the climate mild and desirable, being just what is needed by the troops, and there is not the slightest question in my mind but that Chickamauga Park was originally healthy. Why should it be otherwise? All of the conditions here are conducive to good health, and the troops which have been encamped here would certainly have enjoyed good health if the proper care and precautions had been taken to preserve health.

The sickness at Chickamauga Park has been caused by the improper and negligent manner in which the sanitary regulations recommended by the Army surgeons have been enforced. That is the situation in a nutshell.

**WANTS NEW-YORK TROOPS MUSTERED OUT.**  
MR. HOOKER GETS AN INDEFINITE ANSWER FROM THE WAR DEPARTMENT.

Washington, Sept. 18 (Special).—Representative Hooker came to Washington yesterday to try to induce the War Department to issue an order for the mustering out of service of the 22d New-York Volunteer Infantry, which is mainly composed of men from Westchester and Albany counties in the district he represents in Congress.

Mr. Hooker succeeded only to the extent of obtaining an assurance that whenever orders for mustering out of service of any more volunteer regiments are issued the 22d will be among the first. That, however, probably will not be for some time to come.

**READY TO HONOR HEROES OF SANTIAGO.**  
THE SIXTH INFANTRY TO HAVE A RECEPTION UPON RETURNING TO FORT THOMAS.

Cincinnati, Sept. 18.—Elaborate arrangements have been made for the reception of the 6th Infantry on its return to Fort Thomas to-morrow. Members of the Chamber of Commerce and others went to Parkersburg to-day to meet the regiment at the State line. This regiment was one of the first to leave the front in the Philippines. It was under Colonel Cochran when he was shot through the lungs, and now the regiment returns with Major Miner commanding. Colonel Robert is here anxiously awaiting the regiment.

Of the 4th who went to this regiment in April last, the 2d returned. The regiment has been recruited, so that 400 are now in line. Fifty members of the regiment are in the Fort Thomas hospitals and are away on furloughs, but many were buried in Cuba. As Fort Thomas is now occupied by hospitals, the regiment will camp on adjoining grounds over the hill. The regiment was under General Green Clay Smith when General Kirby Smith marched through Kentucky in his raid on the Union. The regiment was one of the organizations of Cincinnati, Covington and Newport, the first Ohio that returned last Thursday, and one of the first to be mustered out. It will be in the escort line at the station when the regiment arrives over the Baltimore and Ohio Railroad.

**LOSSES OF THE 71ST.**  
A LIST PREPARED BY MAJOR BELL, THE REGIMENTAL SURGEON.

Major William D. Bell, surgeon of the 71st Regiment, who was at the front with the regiment, has prepared a list showing the losses of the regiment by death on the field of battle and by disease. Major Bell says that he has taken pains to make the list complete, and he thinks that it embraces all the names. The following is a copy:

**WINE TO BE USED IN NAMING ILLINOIS.**  
GOVERNOR TANNER WRITES TO WOMAN'S CHRISTIAN TEMPERANCE UNION.

Springfield, Ill., Sept. 18.—Governor Tanner has decided that the battle-ship Illinois shall be named with the use of champagne, and yesterday sent the following letter to Mrs. Matilda B. Curse, Jesse Brown Hilton and Helen L. Wood, the committee of the Woman's Christian Temperance Union who protested against the use of wine:

Ladies: I have the honor to acknowledge the receipt of your letter of the 16th inst., replying to the letter of the 10th inst., and in reply to inform you that the committee of the Woman's Christian Temperance Union who protested against the use of wine, have been successful in their efforts. The committee have decided to use champagne in naming the ship. I am, therefore, very truly yours, JOHN R. TANNER.

**A FLAG FOR HONOLULU.**  
Elizabeth N. J., Sept. 18.—Company C, of the 5th New-York Volunteers, which is doing garrison duty at Fort Wadsworth, received a historical flag last night. It was a gift from George C. Stracmeyer, the Surveyor of the Port of Honolulu, Hawaiian Islands, and a former member of Company C, of Elizabeth. He lived here in his early life, and twenty-five years ago went to the Hawaiian Islands.

The flag was the first United States emblem raised over the Custom House at Honolulu, on August 12 last, the day of the official celebration at Hawaii over the annexation of the islands to the United States. Major De Hart made the presentation, and Captain Bickel, of Company C, responded.

**THE MICHIGAN HERE FROM SANTIAGO.**  
The United States transport Michigan arrived here yesterday from Santiago, from a port she sailed on September 12. The Michigan brought twenty-nine passengers, among them being Captain Charles T. Baker, Assistant Quartermaster, Captain Primelies, of the Cuban Army; Surgeons General, Surgeons, and other medical officers; Army clerks. The other passengers were hospital stewards, nurses and laborers. The transport was under the command of Captain Francis, and she then anchored off Liberty Island.
